if you can't move to talk, then about people when you can't actually get a fucking life

I think you both are a grade or lower i just don't what? i actually get your to talk, i don't get why you both want the same thing "don't the figure out"

...one of the people in silver's group is a dragonborn its the human in the group

dragonborn? but i thought we wiped them all out years ago?

there's only one other person i can think of thats dragonborn and how well you know...

the ice chamber's

oh ok i was starting to like this mask but ok

where the mask go? i didn't want to loose it?

alright lets go

ok that will be 5 bucks for the legendary mask of the legend. i mean every time i think of how awesome he is and how good at trolling he is i cum in my pants

so sonic being dead and nil. does that mean amy is single now?

really didn't mean Sonic's death here. don't let him and your gonna to die get you sick

hey i would be helping sonic and amy out. i know sonic wouldn't want amy to be alone and i can comfort her in her time of need and if im lucky ill help my self out to. its a win win

what ever i dont have time for this. go away

damn i have a plan to stop the trolls once and for all and this may sound stupid but follow me with it. all you know that incino is able to get pretty little. so why dont we put him in a cannon and shoot him into the trolls base where ever it is and let them kill all of them (g) so perfect that it can't go wrong

you know what knuckle's that doesn't sound stupid at all. it is fucking stupid

i think its the best plan i have ever heard in my life

of course you do the plan has to do with you? man this plan is retarded

fuck it go ahead but do not gonna waste my time doing your dumb plan's. its gonna keep me working on a real plan.

how's that list going bowser

im still working on it shadow. he has alot of power's

right there would be good

slight teemo got in the
cannon

listen to me knuckle's there is
0% chance of this working
your just gonna kill teemo

if we had bullets for this cannon we'd
shoot you in the face for coming up with
such a retarded idea
